Financial Independence and Prosperity

“Reality” is not that you are poor and dream of becoming rich. Weak and dream of becoming strong. Alone and dream of having friends. But that you’re already strong, rich, and among friends. Yet, at times, you dream that you’re not. Silly, The Universe

3 Steps for Prosperity Belief Installation 💰

Invisible limiting beliefs need *not* be known to be supplanted.

- 1) Name *dozens* of ideal beliefs that would support you in creating financial prosperity.
- 2) See the truth and validity of these beliefs through immersion; *study your list*.
- 3) Behave and act *as if* these new beliefs were already yours.

Baby Steps and Demonstrations ✨

Behaving in congruence with your desired beliefs not only helps install those beliefs, but by being out in the world with new expectations, you also summon money miracles.

Name 3 directions you can NOW move in that may attract financial abundance:

1) _____ 2) _____ 3) _____

Name baby steps and demonstrations you can begin taking and doing that are reflective of your new prosperity mindset:

Affirmation

I am surrounded by wealth and abundance; everything I touch turns to gold.
